Information

Dear Sir!

As we have already discussed by phone and mails I would like to officially inform you about change of the brand and the design of our Clearcoat Tinters. Until now we have sold them under Mobihel brand and design:

From now on we sell them under Helios Refinish brand and design:

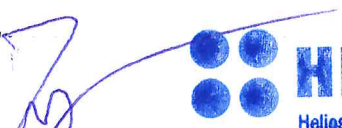

Product itself doesn't change. The quality is the same.

In the future there will be more products under Helios Refinish brand and design. Mostly it will be so with "small" products which can be used in different Helios brands.

Yours sincerely,

Peter Zupan
Sales Director
